

## Grant Collins Participates in Radio Panel on Planned Mpls. Minimum Wage Hike

by Dennis J. Merley - Wednesday, July 05, 2017

Attorney Grant Collins participated in a 4-member panel discussion on WCCO Radio on the proposed minimum wage hike in Minneapolis. The panel, moderated by show host Roshini Rajkumar, featured insights offered by a city council member, a business advocate and a local restaurant server, as well as Grant's thoughts on the legal environment for the planned move.

The wage hike is still under consideration but seems well on its way to passage.
